Reception Arrangements for September 2020

Dear Parents/Guardians,

Your child will be starting full time school in September 2020, an exciting time for everyone. In preparation and under normal circumstances you would be invited to a welcome meeting where you would have opportunity to meet the class teachers, visit the classroom and for children to take part in a range of transition activities. However due to Covid-19 restrictions this unfortunately has not been possible. Therefore we will be uploading to our Reception class blog information we feel will benefit you and your child during the return to school process and for starting full time school.

New Reception pupils will return to school on **Wednesday 2nd September 2020** and will be welcomed into the Reception class and full time school. As part of the transition arrangements and to support the children with settling well into their new surroundings and routine, we ask for arrangements to be made for **all Reception children to start at 9.00am and be collected at 1pm for the first week back.** This will take place running from Wednesday 2nd September to Friday 4th September. **Children will be full days 9.00am – 3.20 from Monday 7th September 2020.**

Please continue to check our school website for regular updates during these current circumstances.

We hope to work together with your continued support to make this important transition as smooth as possible and to create a happy start to the new year. If you have any queries in regards to this, please feel free to contact us at school. We wish you all a wonderful Summer and we are very much looking forward to getting to know you and your child.

Many thanks
