Dear Parent/Carer

We've been contacted by a number of parents, who are understandably concerned by the current situation and asking about details of staff and or pupils who are absent from school. Whilst we can't comment on any individual, we can offer reassurance that we continue to follow all advice from Public Health Wales and Government.

We can confirm that there are no confirmed cases of Coronavirus at present and our school, remains open in-line with the advice we've received which will continue until such time we're advised otherwise by Public Health and Government.

As a school we're signposting and taking note of the guidance available from the trusted sources below on hygiene, social distancing, who to contact and what to do.

When more information or additional advice becomes available, we'll keep you informed, but we remind all of the importance of good hygiene in protecting each other.
